EDUCATION
 FIRST TO THE TOP

Revised 10/24/2013

Career & Technical Education Proposed Course Revisions*
For 2014-15 SY
Listed Alphabetically

Courses	Cluster	Status	List of Existing Courses used in development of Revised or New CTE Courses or determined to be misaligned with state priorities
Advanced Aquaculture Sciences	Agriculture	Retired	Standards included in new Principles of Plant Science and Hydroculture course
Advanced Food Science	Agriculture	New	LEA Special Course (Meat Science)
Advanced Hydroponics	Agriculture	Retired	Standards included in new Principles of Plant Science and Hydroculture course
Advanced Principles of Agricultural Sciences	Agriculture	Retired	Standards included in new Principles of Plant Science and Hydroculture course
Advanced Principles of Meat Science	Agriculture	Retired	Standards included in new Food Science courses
Advertising and Public Relations	Marketing	Revised	Advertising and Public Relations
Agricultural and Biosystems Engineering	Agriculture	Revised	Agricultural Engineering
Agricultural Business and Finance	Agriculture	Revised	Agricultural Business/Finance and Agricultural Economics
Agricultural Economics	Agriculture	Retired	Standards included in revised Agricultural Business and Finance course
Agricultural Power and Equipment	Agriculture	Revised	Agricultural Power and Equipment and Agricultural Engineering
Agriscience	Agriculture	Revised	Agriscience, Principles of Horticultural Sciences, and Principles of Agricultural Sciences
Animal Biotechnology	Agriculture	Retired	Standards included in revised Large Animal and Veterinary science courses
Applied Environmental Science	Agriculture	New	Wildlife Management and Recreation, Plant and Soil Science, and Forestry Management

* Courses listed in this document reflect those submitted for the Oct. 2013 State Board of Ed meeting. Revisions, which will be submitted for the Jan. 2014 State Board of Ed meeting, will be released once all proposed courses are finalized closer to the scheduled board meeting. All retired courses are reflected in this document.

Courses	Cluster	Status	List of Existing Courses used in development of Revised or New CTE Courses or determined to be misaligned with state priorities
Aquaculture/Hydroponics	Agriculture	Retired	Standards included in new Principles of Plant Science and Hydroculture
Audio Production II/III	Arts	Retired	Combination Course
Automotive: Brakes	Transportation	Retired	Replaced with Automotive: Maintenance and Light Repair courses
Automotive: Electrical/Electronics	Transportation	Retired	Replaced with Automotive: Maintenance and Light Repair courses
Automotive: Engine Performance	Transportation	Retired	Replaced with Automotive: Maintenance and Light Repair courses
Automotive: Suspension & Steering	Transportation	Retired	Replaced with Automotive: Maintenance and Light Repair courses
Behavioral and Community Health	Health Science	New	
Cabling and Internetworking	IT	Revised	Cabling and Internetworking
Career and Technical Courses at Postsecondary Institutions	CTE	Retired	Course code no longer needed based on changes to special course application process
Career Management Success	CTE	Retired	Duplicative Course or Older/Misaligned Standards
Collision Repair: Damage Analysis, Estimating, and Customer Service	Transportation	New	National automotive standards
Computer Aided Drafting II/Adv Draft and Design	Construction	Retired	Combination Course
Computer Programming I	IT	Retired	Standards included in revised Programming and Logic course
Computer Programming II	IT	Retired	Standards included in revised Programming and Logic course
Consumer Economics	Human Services	Retired	Duplicative of revised Personal Finance course
Contextual Academics Courses (7)	Contextual	Retired	Duplicative Course or Older/Misaligned Standards
Criminal Justice II/III	Law	Retired	Combination Course
Culinary Arts II/III	Hospitality	Retired	Combination Course
Database Design/Management	Business	Retired	Will be replaced by new Business Communications course
Design Principles of Cos/Chemistry of Cosmetology	Human Services	Retired	Combination Course
Desktop Publishing	IT	Retired	Will be replaced by new Business Communications course
Digital Arts and Design II/III	Arts	Retired	Combination Course

* Courses listed in this document reflect those submitted for the Oct. 2013 State Board of Ed meeting. Revisions, which will be submitted for the Jan. 2014 State Board of Ed meeting, will be released once all proposed courses are finalized closer to the scheduled board meeting. All retired courses are reflected in this document.

Courses	Cluster	Status	List of Existing Courses used in development of Revised or New CTE Courses or determined to be misaligned with state priorities
Document Formatting	Business	Retired	Will be replaced by new Business Communications course
Early Childhood Education Careers II/III	Human Services	Retired	Combination Course
Early Childhood Education I	Human Services	Revised	Early Childhood Education I
Early Childhood Education II	Human Services	Revised	Early Childhood Education II
Early Childhood Education III	Human Services	Revised	Early Childhood Education III
Early Childhood Education IV	Human Services	New	Early Childhood Education IV
Emergency Preparedness	Law	New	
Exploring Agricultural Sciences	Agriculture	Retired	Duplicative course code
Exploring Technology	STEM	Retired	Replaced with new middle school STEM courses
Family and Consumer Sciences	Human Services	Retired	Standards used to create new Foundations of Social and Mental Health course
Family Studies	Human Services	Revised	Family and Parenting, Family and Consumer Sciences
Floriculture	Agriculture	Retired	Standards included in revised Greenhouse Management course
